PhD Supervisors-Business Administration Program.....27

## NOTES:

1. Basically, the School of International Education (SIE) is responsible for the first stage of admission review. If applicants want to apply for School of Management (SOM), they could get more information from the official website of SIE.

<http://sie.xjtu.edu.cn/en/index.htm>

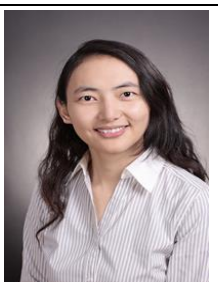

2. There're objective standards to select students. The acceptance letter and recommendation letter from faculties of school of management are not needed. In another word, it's not necessary to contact professors in advance.

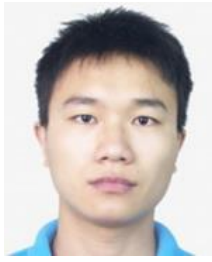

3. The academic affairs office of SOM will organize the selection of supervisors after applicants get admitted. If an applicant wants study under the supervision of a certain professor, he/she should apply for the corresponding programs. Changing majors are not acceptable after the review of the first stage.
